

Peter Kirk PTSA Scholarship Request Form

Funds to support scholarships are available through the generosity of our PTSA and individual donors through fundraising.

While no specific income guidelines are used to determine eligibility, qualification for the Free and Reduced School Lunch program is a good indicator. Regardless of income, each case will be reviewed on an individual basis by the school counselor and scholarship awards will be based on the information provided by the parent/guardian and the funds available.

Scholarships will be considered for the following:

- Before/After School Enrichment Programs
- Field Trips
- Outdoor Education
- School/Community Events

Please complete one form per child at least one week before the date of the event (but preferably sooner). Return completed forms to the Peter Kirk office in a sealed envelope and address them to the school counselor, Margo Miller, or email a completed form to Ms. Miller at mamiller@lwsd.org. Forms will remain entirely confidential and will only be reviewed by Ms. Miller, or in the case of Before/After School Programs, by Ms. Miller and the PTSA President. You will be contacted within **three school days** with an update of your scholarship request.
