

# Family Science Night

Thursday, April 19, 2018  
6-8 pm in Gym

**Private space travel!**  
See and touch parts from a real rocket being designed to carry tourists into space

**Personal ECG!**  
Get a printout of your own heart rate and watch it change as you exercise

**Roller coaster!**  
Design and test your own personal roller coaster

- ✓ Several Hands-On Demonstrations
- ✓ Learn about cool experiments from student's science display boards

**Robotics!**  
See local entry into national robotics contest

Peter Kirk Elementary
